

Foreclosures in Orange County

- 1,887 Homes in Foreclosure
- 220 NEW FILINGS—May 2009

## Mortgage Foreclosure Prevention and Intervention **Stability for Families and Communities**

**A Discussion of Best Practices**

**With an Opportunity for One-to-One Conversations:**

# **How to Avoid or Mitigate Foreclosure**

Orange County, New York

Orange County Executive Edward A. Diana, the Office of Community Development and Orange County Rural Development Advisory Corporation (RDAC) are offering resources for current best practices for mortgage foreclosure prevention, mediation and mitigation to residents and local government officials or representatives.

**An evening presentation will feature a panel of industry professionals—lenders, servicers, regulators, housing counselors, and legal and other related service providers—along with a moderated Q&A of audience questions, and individual pre- and post-panel consultations with experts.**

**July 14, 2009 6 pm – 9 pm**

Orange County Emergency Services Center  
22 Wells Farm Drive  
Goshen, New York
